WE ARE HIRING!

After School Instructor Position

The PAST Foundation is seeking qualified candidates who have a passion for educating young students in the after-school space. The After School Instructor position provides a unique opportunity to make a real impact in the lives of young learners, helping to spark their interest in STEM fields while gaining valuable experience in education.

POSITION OVERVIEW

PROGRAM PREP & PLANNING

Prepare and work with a partner instructor to plan and implement engaging STEM and SEL programming for students in grades K-3. Additionally the After School Instructor will work with the PAST Foundation to understand STEM & Design Thinking strategies that will be integrated within the program structure.

PROGRAM INSTRUCTION

Implement after school programming for up to 20 students in grades Kindergarten-1st at Hamilton Local Elementary School. Programming takes place Tuesday - Thursday during the after school hours.

TIME & COMMITMENT

The position type is part time and contracted and is available through April 2026. Pay is \$22-25/hour and hours per week would range from 9-12 depending on planning time that is needed. The position would start upon completion of a contract, with the first session beginning October 7, 2025

LOCATION & PROGRAM HOURS

The after school program takes place at Hamilton Local Elementary School in Obetz, OH. The program will run Tuesday, Wednesday, Thursday during the school week from after school until 5:30pm.

APPLY TODAY!

If you are passionate about working with children and excited about the possibilities of STEM education, we would love to hear from you!

Please apply by sending a resume and cover letter to Alyssa Reder at areder@pastfoundation.org.
